What if you have to cancel a workshop?

If you must cancel your workshop for any reason and we do not receive your payment in full by the due date, all fees paid will be non-refundable. If you have a personal emergency such as a death in the family, please contact us and we will work with you on a case-by-case basis. We recommend you keep in touch if you suspect you may have to cancel a workshop for any reason.

When would Sandra Lee Photography cancel this workshop?

It is highly unlikely this workshop will be canceled. Only an act of God, war or another destructive natural event which threatens the safety of participants will cancel. We do however, reserve the right to substitute a trip leader in the event of a personal or family medical emergency. If the minimum workshop participation is not met, we reserve the right to host the workshop with only one trip leader. We do not cancel in the event of bad weather! Those conditions scream dramatic images. We are cognizant of the fact that participants have committed to travel itineraries and will do everything in our power to maintain the workshop schedule uninterrupted.

We always recommend trip insurance for any unforeseen circumstances.
